**Reference No. 7 of 1974**

*between*

**THE WORKMAN AND THE MANAGEMENT OF M/S GANESH COMMERCIAL COMPANY  
12/6, GURKUL INDRAPRASHTHA ESTATE, MATHURA ROAD, FARIDABAD**

*Present.—*

Nemo, for the workman.

Shri R. C. Sharma, for the management.

**AWARD**

By order No. ID/FD/73/2231, dated the 24th January, 1974 of the Governor of Haryana, the following dispute between the management of M/s Ganesh Commercial Company, 12/6, Gurukul Indraprastha Estate, Mathura Road, Faridabad, and its workman were referred for adjudication to this Tribunal in exercise of the powers conferred by clause (d) of sub-section (1) of section 10 of the Industrial Disputes Act, 1947.

- (1) Whether the minimum wages of the unskilled workers be fixed? If so, with what details?
- (2) Whether the Uniforms be given to the workman? If so, with what details?
- (3) Whether the workman should be made permanent after completion of six months service and provided with the other facilities? If so, with what details?
- (4) Whether the daily wages system should be abolished and wages paid on monthly basis? If so, with what details?
- (5) Whether the dearness allowance should be given to the workmen and linked with the cost of Living Index Number? If so, with what details?

On receipt of the order of reference, the parties were called upon to put in their respective pleadings. The statement of claim on behalf of the workman concerned was filed on 1st April, 1974 reiterating their demands as earlier raised through the demand notice dated 2nd April, 1973 which part forms of the reference. The management filed the written statement on 14th June, 1974 contesting the demands of the workmen on merits pleading *inter alia* that the Industrial Workers Union (Regd) N.I.T., Faridabad had no locus standi to represent the workmen in the factory and that the demands had not been first raised on the management and rejected by it before taking up the matter for conciliation.

From the pleadings of the parties the following issues arose for determination.

- (1) Whether the demands the subject-matter of the present reference were first raised on the management and rejected by it before taking up the the matter for conciliation? If not, with what effect (on workman)

- 841
- (2) Whether the Faridabad Engineering Workers Union, has *locus standi* to raised the present dispute and the dispute was properly espoused? (on workman)
  - (3) Whether the claim statement is wrong? If so, with what effect? (on management)
  - (4) Whether the minimum wages of the unskilled workers be fixed? If so, with what details?
  - (5) Whether the Uniforms be given to the workman? If so, with what details?
  - (6) Whether the workmen should be made permanent after completion of six months service and provided with the other facilities? If so, with what details?
  - (7) Whether the daily wages system should be abolished and wages paid on monthly basis? If so, with what details?
  - (8) Whether the dearness allowance should be given to the workmen and linked with the Cost of Living Index Number? If so, with what details?

No evidence has been led by the workmen in spite of getting suitable adjournments. They have further elected not to appear and pursue their demands in person or through authorised representative.

Statement of Shri R. C. Sharma, authorised representative of the management has been recorded. He has sworn testimony to the fact that the Industrial Workers Union has no representative character so far as the Ganesh Commercial Company is concerned and that the workers have no disputes with the management. He has further produced two letters Exhibit M-1 and M-2 addressed by the workmen to the above effect.

I have heard the learned representative of the management and given a careful consideration to the facts on record. The burden of issues Nos. 1 and 2 was on the workmen. They have led no evidence, oral or documentary to discharge this burden in spite of getting suitable adjournments. The law is well settled. As observed by the Hon'ble the Supreme Court in the oft quoted judgement in the Sindhu Resettlement Corporation case the demand/demands have first to be raised on the management and rejected by it before taking up the matter for conciliation so as to constitute industrial dispute (s) within the meaning of section 2-K of the Industrial Disputes Act, 1947. This necessary requirement of the law has not been satisfied in the instant case.

Moreover, the dispute being of general nature, the same had to be sponsored by a substantial number of the workmen in the factory or a union having representative capacity. This had also to be established by the workmen but none of them has come forward to make even his own statement on oath what to speak of leading any other cogent and convincing evidence on the point. The fact, therefore, remains that no industrial dispute existed between the parties nor were the the same properly espoused by a union having *locus standi* to represent the workmen in the factory. Issues Nos. 1 and 2 are accordingly decided against the workmen and in favour of the management.

In view of my above findings on issues Nos. 1 and 2, it is not necessary to go into the other issues arising out of the terms of reference otherwise also it is clear from the applications Exhibit M-1 and M-2 made by the workmen that they have no dispute with the management.

On the facts brought on record and for the reasons aforesaid the present reference shall stand rejected as being invalid, and, in the result, the workmen concerned are not entitled to any relief. There, shall, however, be no order as to costs.
